This directory will cover activities from approximately December to March.

It will be important that you have an account set up in CivicRec, our online registration system, to access activity details.

# PHYSICAL THERAPY

We've been there. It's super frustrating to get sidelined with a sore shoulder or hamstrung by a hampered hammy. With physical therapy centered on rebuilding strength and mobility, we'll get you back to enjoying the pastimes you're passionate about. When that happens, it feels like we all win. It's why you're treated and how you're treated by TRIA.
